### Description

Character pack of common people made in a colorful, fun style. Contains 4 female and 4 male fully textured, rigged and animated low poly character models - all mecanim humanoid compatible.

Includes 200 high quality animations. Animator controller (state machine) and a simple movement, wielding and aiming scripts included.

### Details

- 8 Mecanim humanoid compatible character models
  - Polygon count ranges from 1600 to 2000
  - Rig contains 28 bones
  - Rigs created with two bones per vertex for optimized performance
  - No transparent textures or backface-culling used
- Over 200 mecanim humanoid animations
  - idle, idle with weapon, walk (forward, backwards, diagonal, strafe), walk with weapon (forward, backwards, diagonal, strafe), run (forward, backwards, diagonal, strafe), run with weapon (forward, backwards, diagonal, strafe), crouch (forward, backwards, diagonal, strafe, idle), crouch with weapon (forward, backwards, diagonal, strafe, idle), crouching transitions (from and to standing), crouching transitions with weapon (from and to standing), prone (forward, backwards, diagonal, strafe, idle), prone with weapon (forward, backwards, diagonal, strafe, idle), prone transitions (from and to crouching), prone transitions with pistol (from and to crouching), prone transitions with sniper/rifle (from and to crouching), standing aim (5 directions), crouching aim with pistol (5 directions), crouching aim with sniper/rifle (5 directions), prone aim with pistol (2 directions), prone aim with sniper/rifle (2 directions), standing fire (pistol, sniper/rifle), crouching fire (pistol, sniper/rifle), prone fire (pistol, sniper/rifle), standing reload (pistol, sniper/rifle), crouching reload (pistol, sniper/rifle), prone reload (pistol, sniper/rifle), 3 standing death animations, crouching death animation, prone death animation, three jump stages (up, floating, down), two pick up animations (slow and fast), wield, throw, press a button, dance, wave, success (hooray!), two failure (bummer!) animations, yes/no gestures, shrug, conversation, 2 hit animations, zombie idle, zombie walk variations, zombie prone variations, standing zombie death, standing zombie

attack, prone zombie attack, zombie prone to stand transition, zombie stand to prone transition, taking item from a pocket, putting item down, putting item back to pocket, drinking from cup, holding front stable upwards

- o All animations animated 60 frames per second
- o Simple animator controller with all the animations

*Note: Compatibility with humanoids outside Supercyan character packs not guaranteed*

- Two 1024x1024 textures for each character
  - o One for body, one for head and hair
  - o Photoshop (.PSD) files with UW maps included
- Multiple materials for each character
  - o One for body, one for head and hair
  - o High and mobile quality versions of each material
- Multiple prefabs of each character
  - o Basic prefab
  - o Prefab with simple movement script and animator controller
  - o High and mobile quality versions of each prefab
- 8 Appearance Objects used by the Supercyan Character Maker
- Test scene featuring all characters and animations
- 1 Additional sample item (Wooden mug)
  - o Basic and with item logic attached prefabs with high quality and mobile versions
  - o Mobile and high quality materials
  - o Texture
  - o ItemObject and ItemAnimationsObject

### Mobile friendly

Tested with HUAWEI P8 Lite (2015) achieving 40 fps, Samsung Galaxy Note 1 (2011) 30 fps. Test build contained an empty scene with mobile friendly Unity configurations with 24 animated Common People pack characters.
